PANEL DISCUSSION - BUILD THE NATION

Opening keynote: Nj Ayuk, Executive Chairman, African Energy Chamber In the decade since independence, South Sudan has endured conflict and setbacks that have held back the development of a comprehensive infrastructure network. Today the government has prioritized road-building. This promises a huge impact on the lives and fortunes of South Sudan's businesses and people. Our panel evaluates the progress of critical infrastructure building, including civil construction, and industrial and energy related infrastructure.

11:15 - 12:15

30 June 2021

Crown Hotel, Juba, South Sudan

08:00 - 09:00

INVESTOR BREAKFAST *by invitation only*

09:00 - 09:30

PRESENTATION

Ministry of Petroleum: Explore the Nation

Hon. Awow Daniel Chuang, *Undersecretary, Ministry of Petroleum*

The Ministry of Petroleum will present its vision for South Sudan's petroleum sector in 2021, with regard to new exploration programs and data, and the use of new technologies to explore and produce

09:30 - 10:30

PANEL DISCUSSION

Investment and Doing Business Internationally

Doing business in South Sudan requires creative thinking, and some restrictions are in place on US trading. Guaranteeing investments and financing projects can be major challenges. Our panel of investment professionals examine the regulatory and fiscal landscape, discuss ways forward with regard to US sanctions, and evaluate the finance solutions that can be used to advance South Sudan's projects

10:30 - 11:00

NETWORKING BREAK

SPONSOR AVAILABLE

11:00 - 12:00

PANEL DISCUSSION

Energy as the Foundation for South Sudan's Peace and Prosperity

Energy production, the bedrock of South Sudan's economy, will be important to any lasting peace settlement and economic plan. How is the petroleum industry contributing to South Sudan's sustainable development? What are the building blocks that must be put in place to ensure that power and petroleum can provide better for the economic wellbeing of South Sudan's people? Our panel discusses these questions.

12:30 - 13:30

LUNCH

SPONSOR AVAILABLE

13:30 - 17:00

MAIN STAGE SESSION: INVESTOR BRIEFINGS AND WORKSHOPS

South Sudan's entrepreneurs and business community present the projects and initiatives underway in the country, and lead interactive discussions on all matters pertaining to investment in energy and infrastructure. Get to know the local business community, learn about business environment and understand the projects on offer.

SIDE STAGE SESSION: PROJECT PRESENTATIONS

Africa Oil & Power and its government partners in South Sudan will open talks between interested parties and project leaders on a variety of investment ready projects in South Sudan. Attend these sessions to learn about diverse value added projects and how your company can participate.

17:00 - 17:30

CLOSING REMARKS AND STATEMENTS

18:00

COCKTAILS AND CANAPÉES *for all delegates*
